Alhasan Othman

Software & Systems Engineer

alhasan.othman04@gmail.com +963 938 997 544 Damascus , Syria Github Profile

Portfolio

SUMMARY

Software & Systems Engineer specializing in secure backend systems, business applications, and AI-integrated solutions. Experienced in C#/.NET and PHP/Laravel, with a strong foundation in intelligent information security.

SKILLS

Languages & Core: PHP, C#, Python, JavaScript/TypeScript, SQL

Backend & Architecture: Laravel, ASP.NET Core, Node.js, REST APIs, SOLID, Design Patterns

Databases: PostgreSQL, MySQL, Oracle, SQLite, Database Design

AI & Security: LLM Applications, RAG, AI Agents, Machine Learning, OWASP, Web Application Security

DevOps: Git, Docker, Linux, CI/CD, Nginx, Kubernetes

PROJECTS

Automated Web Vulnerability Scanner
Tech: C# | ASP.NET Core | Playwright | ML.NET
- Engineered an automated DAST tool with Playwright-based crawling and adaptive vulnerability scanning.
- Implemented hybrid rule-based and ML-based anomaly detection for SQL Injection, XSS, Command Injection, Path Traversal, and XXE, with CVSS v3.1 risk scoring.

Car Dealership Management System
Tech: PHP | Laravel | MySQL | Blade | JavaScript | HTML | CSS | Bootstrap
- Developed and deployed a bilingual Arabic/English dealership platform with a Laravel backend, admin dashboard, and public REST API.
- Implemented service-layer architecture, transactional workflows, authentication/authorization, inventory management, search/filtering, pagination, and media galleries.

Vehicle Fleet & Maintenance Management System
Tech: Laravel | Filament | MySQL | PHP
- Developed a fleet and vehicle management system covering drivers, allocations, maintenance, payments, finance, reporting, and role-based permissions.
- Implemented automated payment generation, holiday workflows, driver allocation, and production scheduling using Laravel Scheduler.

EDUCATION

B.Sc. in Artificial Intelligence Engineering
Syrian Private University

Department of Intelligent Information Security Systems Engineering
Expected Graduation: February 2027

LANGUAGES

Arabic — Native

English — Fluent
